

GET DACOTA

DOES YOUR AGENCY NEED QUALITY LEGAL-BASED TRAINING?

DACOTA provides jail administrators and supervisors with the most quality, interactive and engaging online training available.

Curriculum is based on current case law, with videos and real scenarios, and is unlike any online training ever created for corrections.

It includes critical operational and highly litigious topics broken down into 10 key areas of focus:

- Civil Liability & Risk Management
- Correctional Law
- Inmate Communications
- Inmate Security, Safety and Welfare
- Inmate Health Care
- Inmate Management
- Religious Exercise, Marriage, LGBTI
- Personnel Management
- Searches
- Use of Force & Restraints

To ensure the course material is taught and understood clearly, DACOTA incorporates videos, choice based scenarios, and other interaction requiring the involvement and comprehension verification of those being trained. Subjects are selectively taught by the most recognized and established detention and correctional experts in the United States.
